Verified Website with SSL Secure Payment

We Care! Payment Security is Top Priority!

1. Our flagship online wine store Yiluswine.com is a verified website with Secure Socket Layer (SSL) secure system. All information including name, address and credit card information are transmitted via SSL technology which encrypts your personal information by changing it into some secret codes.
2. To check SSL Certificate information, you may right click the mouse and choose "Properties" and then "Certificates" in Internet Explore and check the "padlock" icon on the left of the address bar in Chrome.

3. Our payment system is support DIRECTLY by the credit cards of VISA, MasterCard and American Express, and to facilitate a more quick and seamless shopping experience, it is also powered by Apple Pay.
4. For security reason, the upper limit of purchase on this website is HK\$10,000 per transaction. Please call our customer service hotline / Whatsapp 9764 2209 or email us at [info@yiluswine.com](mailto:info@yiluswine.com) for any purchase over the aforementioned amount.
